· CCRS ·

To support you in these changing times, Cambridge University Press continues to develop resources for you and your students to teach and learn online with Ventures.

- **Standards based:** Aligned to WIOA, NRS, ELPS, and CCRS. Help your students prepare for the CASAS Listening test. New WIDA correlations to help High School learners master 21st century skills.
- **Updated Transitions Level:** New edition of Transitions provides students with enhanced readings, additional grammar and writing exercises to ensure academic success.
- **Online Assessments:** Unit, Midterm, Final, and Placement Tests are available to import into your Canvas course using Canvas Commons. We have also partnered with Kahoot! to provide ready-made quizzes for use in diagnostic assessment, formative assessment, and review.
- **How to Teach Remotely with Ventures teacher guide.** The Ventures authors have created a step-by-step guide to make teaching online with Ventures even easier.
