LEARNING  
UPGRADE®

# UPGRADE YOUR STUDENTS' DIGITAL SKILLS

Learning Upgrade's Digital Literacy course teaches standards-based digital literacy skills. This interactive course is available with all Learning Upgrade licenses.

- Students will learn about devices, data, content creation, communication, security, privacy, digital citizenship, and more!
- Aligned to ISTE and Northstar Digital Literacy Standards

Add the Digital Literacy Workbook and Teacher's Guide print companions to the Learning Upgrade Digital Literacy course – perfect for blended learning!

## Workbook includes:

- Lessons aligned to the 59 lessons in the Digital Literacy course
- 2-page lesson reviews
- Final Challenge questions at the end of the book
- Answer Key with explanations

## Teacher's Guide includes:

- Learning Goals based on ISTE and/or Northstar Digital Literacy standards
- Key vocabulary used in each lesson
- Teaching strategies that can be used with a whole class, small groups, or 1:1 instruction
- Step Up and Step Down activities to accommodate students at any level

# An engaging digital solution to upskill learners in English, math, and digital literacy skills.

Learning Upgrade enables adult learners to study anywhere using smartphones or computers. This engaging digital solution offers 22 courses with 1000+ lessons that include songs, videos, and games.

Courses are customizable and self-paced to help learners gain the skills and confidence needed to reach their educational or employment goals.

**COMING SOON!**  
GED Reading and TOEFL/IELTS

## English Upgrade

Courses move students from beginning reading and grammar to advanced comprehension and writing through a sequence of 360 engaging lessons. Students start at their own level and rapidly become proficient readers who are comfortable using academic language.

## Math, Pre-Algebra, and Algebra Upgrade

Courses help students overcome math struggles and prepare for success in math classes and on tests. Students gain the confidence to solve a variety of problems on their own.

## Reading and Comprehension Upgrade

The Reading Upgrade course provides rapid intervention for students struggling to read proficiently. The Comprehension Upgrade course helps students master complex passages including literature, social studies, and science texts. Students learn key concepts like main idea and point of view through videos, examples, and practice questions.

## GED® Math and HiSET® Math

Courses prepare learners for success with engaging lessons that teach key math topics and valuable problem solving activities. Instruction goes far beyond simple practice tests to actually teach learners the math skills they need and give learners confidence to pass the test. Learners move through 60 sequenced lessons that build their math skills, and then they master a final challenge to prepare them for test success.

## Learning Management System

Teachers have a real-time view of each learner's study time and progress on lessons and standards. Reports indicate when learners are on a path to mastery or when they are ready to advance.

First	Student ID	Grade	Course	Last Played	Hours Played	Avg. Percent	Certs	Current Level
Luz	008137702	A	E1	01/16/17	18.6	99	1	Gold
