

VERSATILE ONLINE CTE CURRICULUM

Learning for **ANY** Environment

Support for **ALL** Teachers

IN-PERSON

Conduct in-person classes with ease using iCEV's extensive library of lesson content. Lessons are delivered in video and PowerPoint® presentations and are accompanied by premade lesson plans, activities, projects and assessments.

HYBRID

Customize student learning with a variety of options to combine face-to-face classroom instruction and online, self-paced student learning.

DISTANCE

Deliver instruction and coursework online through iCEV or integrate with your preferred Learning Management System (LMS). Printable and interactive coursework options accommodate all levels of technology access.

RESOURCE LIBRARY

iCEV offers an online resource library of comprehensive tutorials, guides and blogs to help you navigate and customize the iCEV platform, including strategies for distance learning and special populations.

TEACHER SUPPORT

Our customer support team is available to assist you by on-demand live chat, phone, or email. Additionally, the iCEV curriculum consultant team is available to assist customers in the field. At iCEV, we promise your questions will always be answered by a real person.

PROFESSIONAL DEVELOPMENT

iCEV always offers free professional development opportunities through one-on-one online webinars, on-site training and event workshops to assist you in tailoring iCEV resources to fit your specific needs.

LEARNING MANAGEMENT SYSTEM (LMS) & SINGLE SIGN-ON (SSO) INTEGRATION

Seamlessly integrate the iCEV curriculum platform with your preferred learning management system (LMS) and/or single sign-on (SSO) provider to **simplify the login process**, access to **course content** and **grading**.

Import the entire iCEV library into your preferred LMS to share with students. Grade pass back is supported, allowing grades to pass from iCEV to your LMS grade book. After adding iCEV as an external tool to your preferred LMS, you can utilize all of iCEV's resources, including **video** and **PowerPoint® lessons**, as well as **interactive coursework** and **assessments**.

CORRECTIONS & SECURITY**

INDUSTRY CERTIFICATION TESTING

CAREER-READINESS THROUGH SKILLS VALIDATION

Industry certifications, hosted on iCEV, are developed and issued by industry leaders, reflect the needs of real-world career expectations and distinguish individuals from their peers when applying for jobs. The iCEV Certification Testing Platform currently hosts 15 industry certifications across seven CTE subject areas (with more coming soon). To view available certifications and learn more, please visit www.icevonline.com/certifications.
