

Assessments and educational tools for basic digital literacy around essential computer skills, essential software skills and using technology in daily life.

Almost 7 million assessments given and 3000 subscribing locations worldwide

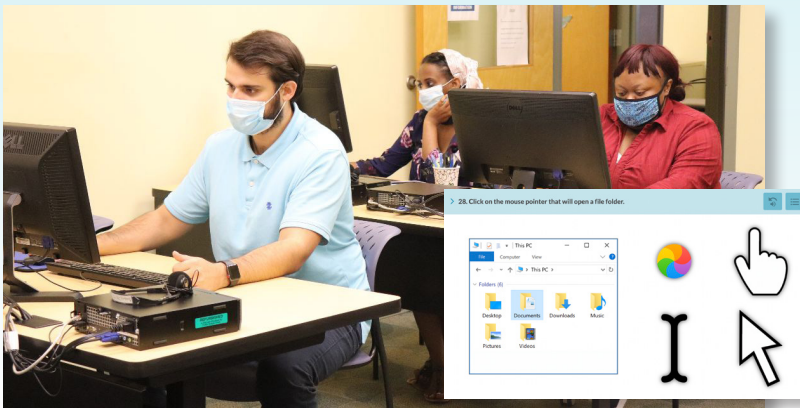

Assessments and practice lessons are now available in Spanish!

According to the 2023 National Skills Coalition report, 92% of jobs analyzed require digital skills. Previous NSC research found one-third of workers don't have the foundational digital skills necessary to enter and thrive in today's jobs.

Together, these findings point to a significant digital skill divide.

Begin working to close the divide in your community with Northstar today!

ENGLISH UNLOCKED

A multi-level, comprehensive, adult English language learning curriculum written by teachers, for teachers.

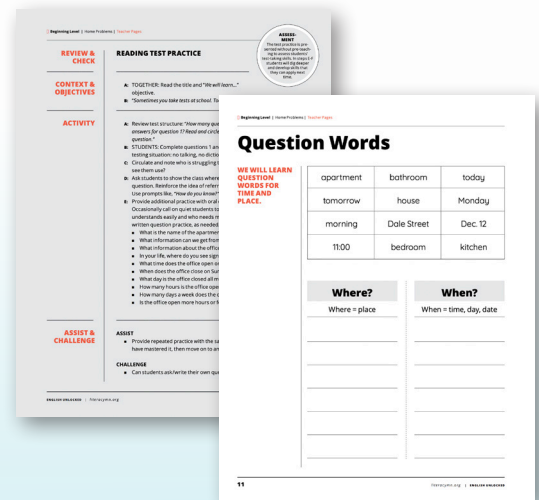

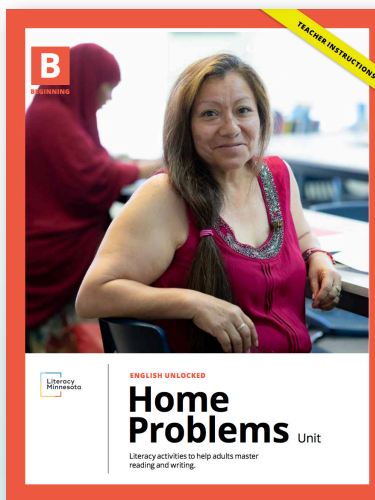

Easy to navigate lesson plans for teachers and volunteers at every experience level.

“Our level 2 class [uses] Phonics Workbooks 3 & 4 along with the Beginning Literacy Curriculum to give students a well-rounded learning experience of phonics and practical conversation about American culture... **Students feel successful right away as these topics can be put into action as soon as they leave the classroom.**”

Dawn S., Director at ELLA Center
