

# Creating Opportunities for Economic Mobility

WES Global Talent Bridge is dedicated to helping internationally trained immigrants and refugees fully utilize their talents and education in the United States. We join with institutional partners, community-based organizations, and policymakers to help these individuals use their skills, leverage their training, and achieve their academic and professional goals.

## Supporting Immigrants and Refugees

Inform and empower internationally trained individuals so they achieve professional success in the U.S.

## Providing Institutional Assistance

Create targeted programs and services that offer effective assistance and placement outcomes

## Driving Systemic Change

Advocate policy development, increased funding, and systemic reforms to remove persistent barriers and advance a positive agenda

## Skilled Immigrant Integration Program

The Skilled Immigrant Integration Program (SIIP) offers communities across the U.S. an opportunity to leverage technical assistance from WES Global Talent Bridge and its national partners and join a network of communities to further state and local initiatives that promote immigrant workforce inclusion.

## The IMPRINT Coalition

The IMPRINT Coalition, based at WES, works to advance public policy and promising models that support the economic inclusion of immigrants and refugees who have education and experience from another country.

## Global Talent Leadership Network

The Global Talent Leadership Network (GTLN) channels the power and potential of networks to amplify the efforts of immigrant and refugee leaders.
