

Skilled Immigrant Integration Program

-  Statewide Initiative
-  City/Region Initiative

Since SIIP’s launch in 2017, **40 communities**—from Alaska to Maine to Texas—have benefited from SIIP’s customized training, coaching, and technical assistance to advance sustainable state and local inclusion efforts. **Apply to join the nationwide SIIP network today!**

Increase local awareness of internationally trained immigrants’ potential to contribute to the community’s workforce and economic development.

Support city- and state-level efforts to promote internationally trained immigrants’ inclusion in the workforce.

Join a strong nationwide network of providers with expertise and experience in effective programming and policies that support immigrant and refugee inclusion.

Your community receives:

- Customized technical assistance and coaching on best practices in immigrant and refugee workforce inclusion initiatives
- Quarterly trainings with national experts
- Sponsorship to participate in the national SIIP Convening
- Access to a robust community of practice and a collaborative resource sharing platform
