Gwynette Taylor

LaKeshia Adams

Student Interest

Professional Learning Community

Connections to Current Practices

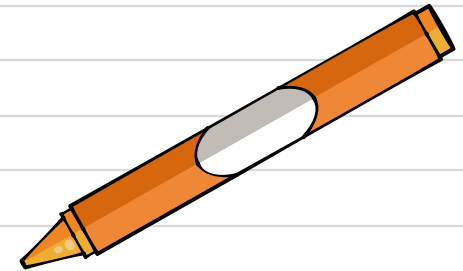

Student Centered

Research & Evidence Based

Pre & Post Lesson Analysis

Holistic Adult Learner Preparation

Addresses NRS Levels

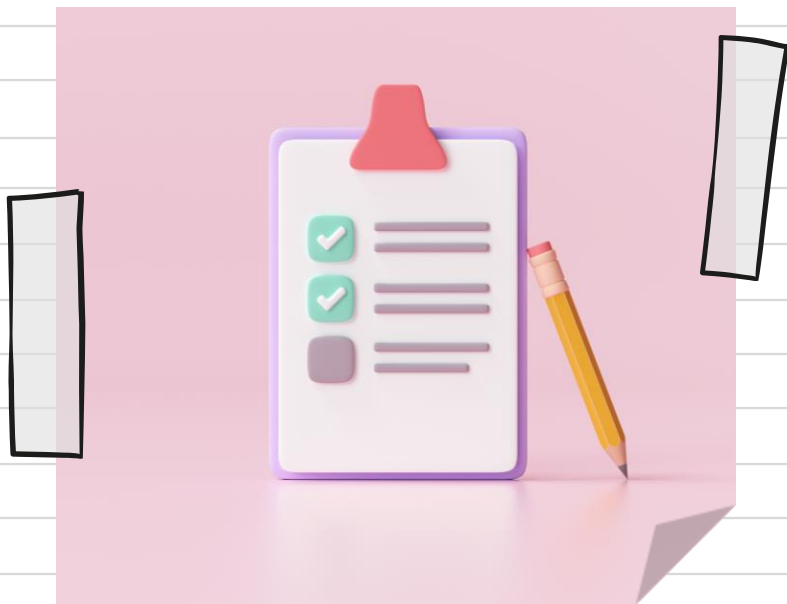

**Increase
engagement
through
reliability**

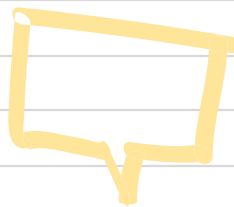

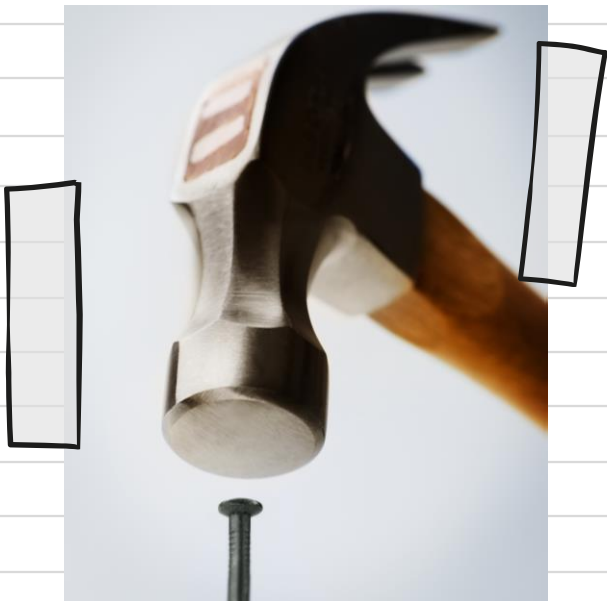

Lessons
integrate what
learners
already know to
facilitate
learning new
concepts

Goes beyond the
regular content
into real-life
application

Answers the why
for the learners

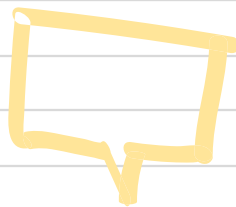

Andragogy versus Pedagogy

**Turns the
responsibility of
learning to the
student... The
student has the
knowledge**

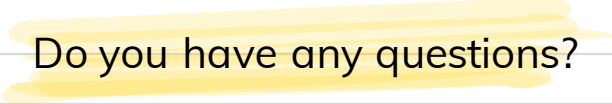

Learning
how to
learn

Thanks!
